

NEW Schedule

- 1 Team Per Cage per game-- Each game will take approximately 30 minutes. This will allow for athletes, coaches, and parents to clear out before the next round of games
- We ask that only athletes, scorekeeper and 1 coach be at the cage, Parents may space out and wait in the area by the TV, along the wall, or in their cars.
- Each team would keep the same time slot every week.
- We will have to enforce the only 1 parent/guardian per athlete
- Scoring will be cumulative, and we will continue to track and post on the website. We will award the "Champion/Runner-up" at the end of the season instead of running full play-offs.
